A poster for a fish fry event. The background is a dark wood grain. In the center is a black frying pan with a silver handle, containing two golden-brown fried fish fillets, a slice of lemon, and some green herbs. A silver knife and fork are placed over the pan. The text is written in a yellow, serif font on a piece of parchment paper that looks like it's pinned to the wood.

From the Pastor's Desk

With the coming of October, we have Charge Conference. Many of you may not even know what that is. In preparation for Charge Conference the leadership of Morris First United Methodist Church gather to review this past year and plan for 2019. The leadership members are your representative in all that we do as a church much like the Senators and Representatives in the government. The different committees meet and gather information concerning the activities, finances, and leadership of this past year to submit to the District office. While doing that they plan for activities, finances and leadership for next year and are preparing to vote on these plans at Charge Conference.

This year Charge Conference is a little different because of a couple of reasons. The first reason is the location. This year's Charge Conference will be in Claremore. The second reason it is different this year is the opportunity the District office is giving the members of each church (not just leadership, but everyone) to attend a workshop on the day of Charge Conference. It is a workshop called Breaking Barriers to Growth presented by Jim Ozier.

About the workshop:

This fast-paced, fun, interactive workshop will give your church practical, hands on tools and techniques you can implement immediately in order to create a culture of growth.

Some of the topics include:

- Improve your first-time guest retention rate*
- How to change "this church" into "My church"*
- Dig deeper into the Community Mission Field*
- Unleash the creativity and passion of church members*
- Build relationship bridges with the unchurched*
- Get real results*

I believe this is a wonderful opportunity for anyone who has a heart for our church, wants the best for our church and wants to become better equipped to make disciples of Jesus Christ for the transformation of the world.

I invite the whole church to join the leadership at this workshop on **October 13, 2018 from 10:00 am – 4:00 pm**. Lunch provided.

Morris First United Methodist Church is not just me or the leadership, but all of you. You matter to the work of this church and we cannot accomplish the ministries and missions without you. Thank you all for your hard work!
